

Amazing Nature Race

Location: Night Heron Park / The Sanctuary / East Beach Village

PROGRAM LENGTH: 2.5 - 4 HOURS

Cost: \$125 - \$150 per person (25-person minimum)

Designed to be challenging and fun, Kiawah's Amazing Nature Race requires each team to stick together while solving clues, overcoming obstacles and competing in challenges. Taking place throughout Kiawah Island's lush barrier island ecosystem, racers will travel on bicycles and on foot using paved bike trails, secondary roads and the beach. Teams will have to navigate their way around the island using maps, clues, and field guides to find the answers or compete in fun interactive challenges. Teams finishing with the most points in the least amount of time will find themselves victorious!

THE RULES:

-This is a RACE! Most of the event will take place on a bicycle; however, some sections will be on foot. Be safe, enjoy, have fun, and win!

- Teams will solve clues and participate in challenges to gain points. The winner of the race is the team who finishes with the most points in the least amount of time. For every 1 minute each team is late, a point will be deducted from their total.

-Teams must stay together for the entire duration of the race and are not allowed to be more than 100' apart at any time. If you are caught without your team, a penalty will be assessed.

- Each team will be given a small backpack with all of the necessary materials. In this bag, teams will find their scorecard, field guide, map, and pens. Clues on the scorecard will unlock strategic locations. Using the map and supplied materials, teams must navigate around the island. Once at these locations points will be gained by solving the clue or by competing in challenges.

- Once teams have solved all the clues or are running out of time, they will head back to the start location and turn in their scorecard. The team who finishes with the most points in the least amount of time is the winner.

WHAT SHOULD I WEAR?

Comfortable casual outdoor outfitter or fitness style clothing suitable for biking and light activity is recommended. Tennis shoes, comfortable walking shoes or secured Teva-like sandals are the best footwear; flip-flops and slip-on sandals are not recommended. Hats and sunglasses are always a good idea.

"CHALLENGE BY CHOICE"

Your personal safety is at the forefront. All activities occur in a safe and supportive atmosphere. We use the "challenge by choice" concept. Our trained facilitators encourage you to move beyond your perceived limitations while respecting your decision on how far you want to move outside your comfort zones. Cooperation and mutual support, rather than physical prowess are emphasized.

PAYMENT, CANCELLATION POLICIES, & GRATUITIES

- Estimated attendance numbers are required 21 days prior to the event.
- A final guaranteed attendance number is required 14 days prior to each event; should no final guaranteed number be provided, the estimated number will become the guarantee. Full price will be charged if less than 14 days' notice is given.
- Any additions made on-site by your attendees will be considered as additional guarantees.
- All event charges will be applied to the master account and a 22% service charge is added to the final price.
