THE KIAWAH GOLF EXPERIENCE

Kiawah Island Golf Resort's unmatched golf experience offers a unique combination of distinctive golf courses, a spectacularly beautiful natural setting near historic Charleston, luxurious resort amenities and gracious hospitality. Selected as #1 Golf Resort on the U.S. Mainland by the Conde Nast Reader's Choice survey and as No. 1 Golf Resort in the U.S. by the 2009 Andrew Harper Reader's Choice awards, we are totally committed to the game of golf and those who play it at every level.

Kiawah Island Golf Resort has been the sight of some of the most memorable championships in professional golf history. Our tournament resume includes the dramatic 1991 Ryder Cup, the 1997 and 2003 World Cups, the 2005 PGA Professional National Championship, the 2007 Senior PGA Championship and the prestigious 2012 PGA Championship.

We offer five world-class golf courses designed by Pete Dye, Jack Nicklaus, Tom Fazio, Gary Player and Clyde Johnston. Using the island's magnificent setting of rolling sand dunes, expansive saltwater marshes and quiet maritime forests, each architect has created a unique expression of golf's varied challenges and rewards.

Kiawah Island Golf Resort is proud to offer the services of walking caddies and forecaddies at The Ocean Course. The caddie program, established in 2000, has quickly developed into a hallmark of The Ocean Course golf experience. When combined with the natural seaside setting and the award-winning Pete Dye design, walking The Ocean Course with a caddie by your side is an unforgettable experience. Located on the exposed far eastern end of the island, The Ocean Course is buffeted by unpredictable ocean winds. The knowledge and guidance of a caddie are enormously helpful for any player navigating the seaside links of The Ocean Course and its unique challenges.

Our professional caddies impart their extensive knowledge of every aspect of the course. They assist in reading greens, providing accurate yardages and offering invaluable strategic insight for playing each hole. Caddies also act as an on-course concierge of sorts, as they can provide information about the history of the island and the environment as well as the resort's other exceptional golf courses and amenities.

Walking is allowed all day, and anyone wishing to utilize a golf cart will be issued a tee time after noon on The Ocean Course. Walking caddies are not mandatory, but golfers utilizing a cart will be accompanied by a forecaddie. Caddie services may be reserved at the resort's other four courses in advance through The Ocean Course Golf Shop by calling 843.266.4670.

Please note: The Ocean Course is "walking only" until noon each day.
