Please retain this acknowledgement in satisfaction of the IRS requirement that charitable contribution deductions of \$250 or more must be substantiated by a contemporaneous written acknowledgement from the donee organization. If a deduction in excess of \$500 will be claimed for the donated noncash property, you must file IRS Form 8283 with your tax return for the year you contribute the property and claim a deduction. For gifts of property (other than money or publicly traded securities) for which you will claim a value in excess of \$5,000, the IRS also requires that you obtain a qualified appraisal of the property and have Parts III and IV of the Form 8283 completed by the qualified appraiser and the donee organization, respectively.
