

EGGS TO-GO

Take your egg hunt all over Kiawah Island! To help you get started, we have put together a list of our top suggested locations.

NIGHT HERON PARK

With 21 acres to run around and explore, we can't think of a better spot for your EGG-streme hunt! The playground, soccer field, volleyball court, and more are all you need to have a hunt that will challenge even the most skilled egg hunters in your family.

Terrace Lawn

If you want to take in the view of the ocean while you hunt for some eggs, the Terrace Lawn is the spot for you! Located on the east side of The Sanctuary, you won't have to go far to find all the space needed for a spectacular egg hunt.

Your Accommodations

Who said an egg hunt had to be outside? We can think of plenty of places to hide eggs in the comfort of your own accommodations!

Ocean Park

Located at the very Eastern end of the island, Ocean Park has ample area for a challenging hunt, a playground, and a one-of-a-kind treehouse! This is a perfect location for guests staying within the Vanderhorst Plantation or families up for a spring bike ride.

The Beach

Talk about wide-open spaces with breathtaking views! The beach is perfect for all ages. Be sure not to hide any eggs in the dunes!

Kiawah Island is full of hiding spots that are perfect for your eggs, but remember to respect the natural habitats of our local wildlife. When hiding eggs, don't venture too far into our wild areas and pond edges—we wouldn't want to disturb the wildlife, much less have these beautiful creatures mistakenly think we are hunting their eggs!
