CHAMPIONSHIP GOLF

Notable events, such as the dramatic 1991 Ryder Cup matches, the 2007 Senior PGA Championship and the 2012 and 2021 PGA Championships, have delivered the moments that established and continue to build upon the esteemed legacy of Kiawah Island Golf Resort.

The resort offers five world-class golf courses designed by Pete Dye, Jack Nicklaus, Tom Fazio, Gary Player and Clyde Johnston. Using the island's unspoiled setting of rolling sand dunes, expansive saltwater marshes and tranquil maritime forests, each architect has created a unique expression of golf's varied challenges and rewards.

The Ocean Course

The iconic Ocean Course has proudly played host to storied tournaments, including the 1991 Ryder Cup, 2012 and 2021 PGA Championships, indelibly engraving its reputation as one of the world's most exemplary golf courses. Unmatched in quality, shot values and sheer beauty, the Pete Dye-designed course offers a true test of skill and challenge along its seaside holes.

Osprey Point

Making full use of Kiawah Island's maritime forests, lagoons and saltwater marshes, Osprey Point is one of the most popular courses with resort guests. Totally modernized under the direction of Tom Fazio, Osprey Point features tees, greens and fairways grassed with paspalum.

Cougar Point

The Gary Player-designed Cougar Point is highlighted by a stretch of holes that run along the Kiawah River, with sweeping marsh vistas regarded as some of the most serene on the island. Due to its natural beauty and exceptional playability, the course is a resort favorite.

Oak Point

Oak Point was voted the Golf Course of the Year by the Charleston Golf Owners Association. The completely renovated course offers guests strategic challenges and the enhanced playing surface of paspalum. Increased by up to 40 percent, the greens give more pin positioning options on this Clyde Johnston design.

Turtle Point

Featuring three oceanfront holes, this characteristic Jack Nicklaus design features ample fairways, approachable greens and strategically located lagoons that place a premium on accuracy. Turtle Point received glowing reviews from players following a complete renovation by Jack Nicklaus and his design team.
