

The background of the page is a vertical aerial photograph. It shows a narrow, calm waterway, possibly a marsh or a small river, with two people in red kayaks. The kayakers are positioned one above the other, moving away from the viewer. The water is a light, greenish-grey color. On the left side of the waterway, there is a dense bank of tall, green grass. The right side also shows some vegetation and a small patch of sand or mud. The overall scene is peaceful and scenic.

THE KIAWAH GOLF *experience*

Balancing the natural harmony of Kiawah Island's unspoiled setting of rolling sand dunes, expansive saltwater marshes and tranquil maritime forests, each of our five championship golf courses contribute to an unforgettable experience in which the game of golf finds its stride alongside the charm of the Lowcountry landscape. We are dedicated to the game of golf and those who play it, as evidenced by our recognitions, awards and accolades.

Kiawah Island Golf Resort has been the site of some of the most memorable tournaments in professional golf history. Our résumé includes the dramatic 1991 Ryder Cup, the 1997 and 2003 World Cups, the 2005 PGA Professional National Championship, the 2007 Senior PGA Championship and the prestigious 2012 and 2021 PGA Championships.

We offer five world-class golf courses designed by Pete Dye, Jack Nicklaus, Tom Fazio, Gary Player and Clyde Johnston. Using the island's natural landscape, each architect has created a unique expression of golf's varied challenges and rewards.

Kiawah Island Golf Resort is proud to offer the services of walking caddies and forecaddies at The Ocean Course. The caddie program, established in 2000, has quickly developed into a hallmark of The Ocean Course experience. When combined with the natural seaside setting and the award-winning Pete Dye design, walking The Ocean Course with a caddie on your bag ensures an unforgettable round. Located on the exposed far eastern end of the island, The Ocean Course is buffeted by unpredictable ocean winds. The knowledge and guidance of a caddie are tremendously helpful for any player navigating the seaside links of The Ocean Course and its unique challenges.

Our professional caddies impart their extensive knowledge of every aspect of the course. They assist in selecting the proper lines, reading greens, providing accurate yardages and offering invaluable strategic insight for playing each hole. Caddies also act as on-course concierges, providing information about the history of the island as well as the resort's other exceptional golf courses and amenities.

The Ocean Course is walking all day (carts are permitted only for tee times after 10am June through August). Caddies are not mandatory for golfers walking the course, but are highly recommended. During the summer months, carts are restricted to the paths and a forecaddie is required for anyone utilizing a golf cart. There is no fee for caddie services, but gratuities are graciously accepted. Caddie services may be reserved in advance at other Kiawah Island Golf Resort courses, based on availability. One of many advantages, guests receive preferred pricing and tee time bookings at all five resort courses.

THE OCEAN COURSE BY PETE DYE

Head Professional: Stephen Youngner, PGA
Certified Professional

Course Superintendent: Jeff Stone, GCSAA
6,911 Yards/Par 72

Regarded as one of the finest golf courses in the world, The Ocean Course is unmatched in design quality, shot values and sheer beauty. The Atlantic Ocean can be seen from every hole on the course. A modern course based on classic design concepts, The Ocean Course is an easy walk with short distances between greens and tees. In observance of the traditions of the game and overall enjoyment, the course is walking only; however, carts are allowed for tee times after 10am during June, July and August. Utilize the full service clubhouse with locker rooms and pro shop, and wind up your round with cocktails at The Ryder Cup Bar or dinner at The Atlantic Room.

OSPREY POINT BY TOM FAZIO

Head Professional: Ric Ferguson, PGA Certified
Professional

Course Superintendent: Steve Miller, GCSAA
6,902 Yards/Par 72

Noted for its supreme playability for golfers of all levels and experience, Tom Fazio-designed Osprey Point takes full advantage of the natural beauty of the island as it winds through maritime forest and along (and at times across) lagoons and saltwater marsh. A perennial favorite of resort guests, Osprey Point consistently receives rave reviews for its pristine conditions. Each hole of the course is unique and memorable—with four challenging par 3s, four extremely distinctive par 5s and ten outstanding par 4s ranging in length from 340 to 461 yards. Indulge in pre-or-post-round fare at Cherrywood BBQ & Ale House, the home of authentic hardwood-smoked Southern barbecue, award-winning mac and cheese, and an extraordinary collection of carefully-curated bourbons, ryes and Scotch whiskies.

TURTLE POINT BY JACK NICKLAUS

Head Professional: Mark Schaffer, PGA Certified Professional
Course Superintendent: Lance Stone, GCSAA
7,061 Yards/Par 72

Featuring three oceanfront holes, this characteristic Jack Nicklaus design features ample fairways, approachable greens, and strategically placed lagoons that put a premium on accuracy and a carefully thought-out approach to each shot. Turtle Point epitomizes the Golden Bear's mantra to "make the player use his mind ahead of his muscles—to control his emotions sufficiently to really think through his options before drawing a club from his bag". Turtle Point traverses a diverse landscape with holes dictating alternating setups from left-to-right and vice-versa. Turtle Point clubhouse offers locker rooms, a pro shop, and indoor and patio dining at contemporary Italian eatery, Tomasso at Turtle Point.

COUGAR POINT BY GARY PLAYER

Head Professional: Josh Wagaman, PGA Certified Professional
Course Superintendent: Brad French, CGCS,
Certified GCSAA Superintendent
6,814 Yards/Par 72

Cougar Point is highlighted by the stretch of holes 4 through 6 that runs along the banks of the Kiawah River, providing sweeping marsh views regarded as one of the finest vistas on the island. Due to its natural beauty, variety and exceptional playability, Gary Player's design remains a perpetual favorite among resort guests, members, and frequent visitors. The Cougar Point clubhouse is home to The Players' Pub restaurant and bar overlooking the 18th fairway and green, a spacious pro shop, and full-service locker facilities.

OAK POINT BY CLYDE JOHNSTON

Head Professional: Deron Lee, PGA Certified Professional

Course Superintendent: Lee Painter, GCSAA
6,701 Yards/Par 72

Clyde Johnston's design occupies former farmland that once raised cotton and tomatoes. Oak Point sits beside the Kiawah River and Haulover Creek, inviting wind to blow through the mature maritime forest that predominates the interior holes, but can become particularly prevalent on the exposed finishing holes that skirt the riverbank. A true shotmaker's course, Oak Point showcases undulating fairways and challenging greens on a meticulously maintained course that favors a thinking approach over raw power, making it a favored choice for guests.
