## NATURE NOTES

**Mild winters and a variety of habitats make Kiawah Island a premier winter birding destination!**

With cooler November temperatures, we don't bid farewell to our feathery friends - we welcome more! As the season transitions, we greet the visually-stunning Hooded Merganser among other guests like ducks, grebes and loons! Alongside them, steadfast winter dwellers like sparrows, goldfinches, and Hermit Thrushes make our island their home too. As December brings in colder waves, Brown Pelicans, particularly the juveniles, find their way to our ponds for a hearty feast. Bald Eagles invest time in building and

repairing their nests and Cedar Waxwings are a sight to behold, often seen congregating in groups of hundreds high up in the trees!

Prepare your binoculars and cameras - Kiawah Island winter birding is a spectacle not to be missed! Join our Naturalists for an unforgettable exploration of Kiawah Island and experience the marvels of island birdlife and more with our diverse range of winter Nature Tours. Choose from options such as Back Island Birding, Mingo Point Birding, Wildlife in the Wetlands Bike Tour, or explore the salt marsh on a kayak or motorboat cruise.

TOMMY CUTHBERT GOLF LEARNING CENTER

Featuring three oceanfront holes, this characteristic Jack Nicklaus design features ample fairways, approachable greens, and strategically placed lagoons. Also situated on Turtle Point is The Tommy Cuthbert Golf Learning Center, an innovative facility featuring PGA/LPGA Certified golf instructors, top-rated Trackman Launch Monitor, and an exquisitely manicured driving range that includes full swing and short game instructional areas. Turtle Point clubhouse offers locker rooms, a pro shop, and indoor and outdoor dining at contemporary Italian eatery, Tomasso at Turtle Point.

## **COUGAR POINT BY GARY PLAYER**

843.266.4020 or ext. 64620

Cougar Point is highlighted by the stretch of holes 4 through 6 that run along the banks of the Kiawah River, providing sweeping marsh views regarded as one of the finest vistas on the island. Due to its natural beauty, variety, and exceptional playability, Gary Player's design remains a perpetual favorite among resort guests. The Cougar Point clubhouse is home to The Players' Pub restaurant and bar overlooking the 18th fairway and green, a spacious pro shop, and full-service locker facilities.

## **OAK POINT BY CLYDE JOHNSTON**

843.266.4100 or ext. 64100

Oak Point sits beside the Kiawah River and Haulover Creek, inviting wind to blow through the mature maritime forest that predominates the interior holes, but can become particularly prevalent on the exposed finishing holes that skirt the riverbank. A true shotmaker's course, Oak Point showcases undulating fairways and challenging greens on a meticulously maintained course that favors a thinking approach over raw power, making it a favored choice for guests.
